Seduction IN LINGERIE

My name is Paula and I'm writing to share an experience I recently had, and to encourage any reader that may be in the same predicament. Like many contemporary women, I've come to realize how hard it is to keep a man. Even a good one. So we have to use our womanly wiles and maybe go beyond our comfort zone. In my situation – with Louis.

Her name was Sandy and she lived in our building. She was a neighbor of ours and I'd spotted her in the elevator a few times. We got to talking one day as we waited for a cab. She told me she was 22 and just graduated from NYU and was looking to start a career in fashion. I told her how beautiful she was and wished her best of luck in her career. She blushed and giggled and I found that quite refreshing. I told her I wanted to sexy-up my underwear wardrobe and what better person than a beautiful, upcoming fashion designer. Would she be willing to help me?

Well, she agreed and set our plans for Saturday and met at Macy's lingerie department. We went through almost their entire inventory of 36Cs and settled on six new

bras for me and a dozen pair of panties that included eight g-strings and thongs. I had never had or worn such sexy stuff. I convinced Sandy to come back to my apartment and help me choose some of them to wear during the week. I'd supply the wine and laughter.

As we entered my apartment, my husband Louis was there watching a basketball game. I introduced them and headed off to the bedroom with her to try on the new stuff. While I was modeling them for her, she told me that she

had just split with her boyfriend of four years because he found out she had experimented with girls her first year in college. No matter how much she tried to explain and ask forgiveness, he wouldn't hear of it. They split and she had been wandering from one night stands to month long affairs, none of which were very satisfying.

As the afternoon wore on and the wine wore us down, I slowly incorporated hints of a three-way to liven up both our lives. She seemed amused by the thought and I invited her for dinner that following Sunday night. She agreed and I saw her to the door. We gave each other a big hug and quick kiss to seal the deal. After she leaves,

I go over to Louis and join him on the sofa to watch the end of the game. I told him of the dinner invite and at first he seemed a little negative until I mentioned that she was bisexual and if he wanted to do her, I meant us, that would be okay with me.

It's now 7 pm on Sunday night and she's right on time. He gets the door and invites her in. All three of us are dressed nicely and I have a sexy bra and panty set on that Louis doesn't know about. Dinner passes nicely with good conversation and laughs. Louis and Sandy seem to have hit it off and are comfortable with each other. I ask him to clean up the dishes while she and I get something to show him. Sandy and I go into the bedroom and I show her what I'm wearing underneath. She lifts her top to show me hers and I smile approvingly. I tell her to go get Louis and bring him in here. She does and when he comes into the bedroom, he finds me standing in front of the bed in a hot red half bra and lace thong that drops his jaw.

Now, Sandy strips out of her clothes without being asked and her body was stunning. She was around the same height as me but thinner. To balance that she had bigger boobs and bigger hips and a beautiful ass. Her skin was a nicely tanned and cried out to be touched and licked. She unhooked her bra and threw it aside. Then she sat on the bed and peeled her panties down her long slim legs. Her muff had the smoothest, straightest pubic hair I'd ever seen on a girl. Not only that, it gleamed like satin and made my mouth water. At any rate the chill had gone out of her manner so I wrapped my hands round her head, pulled her towards me and kissed her full on the mouth.

As I went to remove my underwear she stopped me. "Leave it, it is sexy," she said.

That silky muff was right where I wanted it to be but first her perfect boobs demanded to be sucked. One of her hands was inside my panties and seemed to be enjoying the smoothness of my pubic mound. I put my hands on her meaty ass and squeezed her buns. I pulled the cheeks apart and saw Louis's eyes widen.

I saw Louis lean towards us but wasn't prepared for what happened next. He lunged forward and buried his face in Sandy's ass. If it came as a shock to me it was just as much of a surprise to her and she jumped.

Surprisingly she smiled. She lay face down and spread her cheeks with her hands by way of invitation. This time I wasn't missing out on seeing her puckered hole and joined Louis between her legs. We jostled to see who would get first attempt at rimming her. I unzipped his fly, pulled out his cock and popped it onto my mouth. From the top of the bed I heard Sandy moaning loudly as Louis fucked her ass with his tongue.

Dear reader, I'm having to stop here because I have to go to work. Please cum back to my story in the next issue. I promise to have finished it and will share this exciting evening with you.

Katrina admits that great sex is a way of life for her. Her sex drive is huge and she loves to get really into it, especially sucking big stiff cocks. She's so damn good at it that she amazes herself sometimes. Like today when she has two bigger-than-most cocks to play with today. And, ohhh, the taste of cum, yuummy. I'd love to taste yours sometime, too.

BROWNIES: THE TRUE APHRODISIAC

I'm a volunteer at a local shelter and once a month all the volunteers do a pot luck brunch. It was my turn to bring the dessert so I made fudge brownies. In Tampa we have the hottest summers so I enjoy drinking lots of lemonade – with lots of ice. So I'm waiting in the heat listening to music and dancing around with nothing but my boxers on, waiting for the brownies to cool before heading for the shelter. A few minutes later I heard the mail being delivered. I ran to catch the mailman so he could post the final pages of my divorce documents. I opened the door to see a “mail-woman” stuffing my box and asked what happened to Al. She said he transferred to one of the suburbs.

As I handed her the envelope, I could see her eyes fixated on my chest and glancing at my boxers. We chatted about the extremely hot weather and noticed she was dripping a bit of sweat and probably

She's a little hottie, I thought to myself. I walked to the fridge to get the lemonade. She said she preferred milk with her brownies. I looked and smiled at her and said I did too.

need to cool off, so I invited her in for a glass of lemonade.

As she entered the house she noticed the sweet smell and asked why I was making brownies so early in the day. I laughed and said I worked at a shelter and wanted to get the brownies right before taking them with me. I asked if she would be my guinea pig, saying it was the first time I ever made them and she could tell me if they came out okay. She introduced herself as Diana as she put down her

bag, took off her cap and sat at the counter. Her short brown hair came falling out and she unbuttoned another button on her blouse making that “I need to cool off” gesture fanning her blouse by the collar. She's a little hottie, I thought to myself. I walked to the fridge to get the lemonade. She said she preferred milk with her brownies. I looked and smiled at her and said I did too. I offered her one, and milk. Savoring the taste in her mouth she smiled and said they were delicious. Humbly, I agreed with her and said thanks.

We made small talk as I was starting to feel a little flirtatious. I asked if she would like another. She said ‘yes’ but had to get on with her route. I plopped another down on her plate. I began to get another for myself and she said she shouldn't finish the second one. She held it up to me, offering the remainder to my mouth. How sexy, I thought, as I moved in for a small bite, mouth

open and tongue sneaking forward.

I noticed that she noticed and caught little smile from her. I took a bite and she ate the rest of it. She gathered her stuff and headed for the door. She stopped a few feet from it and thanked me for the refreshment. I asked if she would like one or two to take along with her. She politely declined but to my pleasant surprise, asked if she could come over tomorrow to show her how to make them. I said she was welcome to come after three when I would have returned from the shelter. She said that would be great. She said she'd bring the milk because we had finished mine.

The next day I headed off about 11:00 with two dozen little fudge surprises. They were a hit and everyone said I did not make enough. About two pm I headed home to clean up before my mailwoman came over. Right at three there was knock at the door and opening it there stood Diana and a lady friend just as cute as her. Both were wearing shorts and

tank tops because of the heat and their incredible cuteness.

"Hi, this is Jan. I hope you don't mind her coming along. I must say I feel a little safer this way." said Diana.

"No problem." I said, and introduced myself as David as they brushed past me into the house. They head to the kitchen and Diana goes right to the fridge to put in the gallon of milk she promised. Jan saw me checking her out as Diana bent over to find a spot for the milk. Embarrassed, I looked at Jan apologetically and she just smiled. After some small talk, we started making the brownies. I watched as the two ladies deftly handled the spatulas and electric mixer. After about twenty minutes the batter was ready and into the pan it went. Another twenty minutes and they were ready. As we waited, they said they were roommates and had been living in Tampa for six years before. I said I was a transplant from Detroit.

By now the brownies had cooled and the three of us were heating

up. This time Jan goes over to the fridge to get the milk as Diana cuts the brownies. I serve them up and we all have a taste. Complimenting each other on how good they were, we all decide to have seconds. The girls commented on how hot the kitchen had gotten from baking. They asked if I minded if they took off their tops. I said it was okay by me. I could not believe that this was happening. I took off my tennis shirt asking permission after it was off. They laughed and started stripping off their pants. In heated anticipation, I cleared the kitchen table of the plates and glasses but left the brownies nearby.

Diana turned to me and opened my pants and pulled my cock out. It was already hot in there and this eating game had really gotten me going. She put one hand around my cock and the other girl put her hand on top of that. She leaned forward and took the head of my dick in her mouth. As the two women squeezed it a glob of precum oozed out and Diana slurped it up.

As she entered the house she noticed the sweet smell and asked why I was making brownies so early in the day. I laughed and said I worked at a shelter and wanted to get them right before taking them with me.

As Diana stood up, Jan got behind me and quite deftly guided my cock to Diana's slick slot. Diana moaned as I pushed forward and she pushed back against me. She stood and took me by the hand and led me back into the bedroom. Jan followed and then took the lead. I felt her warm breath as her lips enveloped my cock and she easily slurped half of my cock into her mouth before she looked up at me. Her brown eyes sparkled at me as she inhaled the other half of my cock. I felt her throat contracting around my cock and after what must have been a minute or two, but felt like forever.

Diana pushed me down and straddled my hips, her hands deftly guiding my cock into her sweet wet snatch once again. She started first by just rubbing the tip of my cock against the swollen lips of her pussy, the feeling was wonderful and I found myself thrusting up to try and get inside of her sweet honey pie. When she finally lowered herself onto my hips, it was like I was sliding into a tub of warm butter. She

rested there impaled on my cock for some time, and then I could feel her muscles start flexing and contracting around me.

I was delirious with the pleasure these women were giving to me. With Diana riding me, Jan climbed into the bed and straddled my face. I reached up and squeezed her breasts with my hands. She pulled my face deeper into her sopping wet pussy and my tongue extended to its fullest as she leaned forward and began kissing Diana. When she did Diana started to flex her hips grinding and riding up and down my cock. It wasn't long before I was spurting my hot cream into her wonderful, magical pussy. But that was not to be enough...

It was only seconds before I went from semi-hard to totally stiff as Jan's tight pussy got me going once again. She straddled me and leaned her body over mine, her nipples just grazing my face as she rocked up and down on my cock. I sucked and pulled on them with my teeth as she picked up her tempo until she was

slamming her pussy down on my cock. I felt Diana's hands grab my balls and began massaging them fiercely and I fucked her friend.

Then I felt one wet finger slide into my butt hole and that sent me over the top. I bucked a couple more times with Jan riding me like a cow-girl. Jan gasped as I felt her pussy muscles contract around my cock and my own juices boiled over into her. She lay on top of me for several minutes my cock slowly sliding out of her, both of us spent. Diana laid next to us gently caressing my balls and slipping a finger or two into Jan's wetness.

Jan managed to stand up after a little bit and I could see some of my cum leaking out of her. She apparently felt it too and scooped some up with her fingers. With my milky goodness dripping down them, she shows them to Diana and says that this would go great with brownies! She tells me to get the rest of them. We were going to have us another chocolate frenzy.

Diana turned to me and opened my pants and pulled my cock out. She put one hand around my cock and the other girl put her hand on top of that. She leaned forward and took the head of my dick in her mouth.

no waiting for the camera. When Natasha met Elle, she whispered to the cameraman, "I can't wait to eat her out. She looks so delicious."
